

MADEIRANEWS

Leaf Collection to Begin October 7!

City-Wide LEAF Collection

THE MADEIRA SERVICE DEPARTMENT will begin collecting leaves from curbside on **October 7 thru December 20**. Madeira streets are divided into **two zones**. Each zone will be picked up every other week. You will find your street and zone listed on the next page of this newsletter. **PLEASE BE PATIENT!**

We cannot be specific as to the exact day your leaves will be gathered due to the unpredictable amount of leaves each resident may leave out. We will do everything we can to get your leaves picked up in a timely fashion. Keep in mind the Service Department must also maintain its normal work duties in addition to providing the leaf pick-up service. **THANK YOU!**

PLEASE –PLEASE–PLEASE–PLEASE NOTE:

Rake all leaves to the edge of the road. ONLY LEAVES, PLEASE! Be careful not to have landscaping stones or branches mixed in which may harm the Service Department employees and damage the rented equipment. (See page 3 for information on Hamilton County's free yard waste drop-off program.)

Do not put leaves in the streets. This creates a hazard. It is also important to keep the storm water drainage path clear at all times.

Avoid parking your vehicle near the leaves. The equipment cannot access the leaves if a vehicle is obstructing the area. *In this case, your leaves will not be picked up until the next scheduled week.*

Be aware that dry leaf debris may be left behind by the equipment due to leaves filtering through the top screening of the equipment. Unfortunately, this is unavoidable. Rainy weather often helps minimize this problem. Wet leaves, however, may clog the equipment slowing down the pick-up process. In the event of rain, it is conceivable for pick-up to be delayed a few days. Please make allowances for rainy weather.

ALSO PLEASE NOTE:

Neither zone has been scheduled for pick-up during the week of Thanksgiving. Since this is a short week due to the holiday and generally our heaviest time for leaves, the City will set aside this week to catch up on the schedule.
